

## **A-Level Art and Textiles Summer independent Learning work- Preparing for Y13**

Your teacher will provide you with a detailed list of tasks that you will need to complete over the summer to ensure that your coursework which makes up 60% of your final grade is as good as it can possibly be. Art students can expect to start to start writing their supporting essay that explains where their inspiration for their coursework has come from and how the work has been developed in light of personal exploration of materials and ideas.
