A-Level English Language
Summer Independent Learning

- Review each topic (social groups, gender, change, language and representation, region, child language (spoken) and occupation)
- Make sure your folders are organised and you have all your flashcards/mind-maps
- Listen to a Lexis podcast relating to a topic you feel you need to revise in more detail – make notes and add them to your topic notes
- Make a list of three topics you may be interested in researching for a language investigation – add research we have studied in class that may be relevant
