MINIMUM ENTRY REQUIREMENTS

Students will usually study three courses in the Sixth Form, from the list below. Please note that a course marked ‘double’ will count as two courses. Students with an average GCSE point score of 6.8 or above may wish to consider studying four courses, but we will advise students about this at interview and enrolment. A student who has not yet achieved a grade 4 in GCSE Maths will also study GCSE Maths resit alongside a programme of three courses.
